OIG's evolution: the quest for greater impact

SAls are extremely important to the OIG

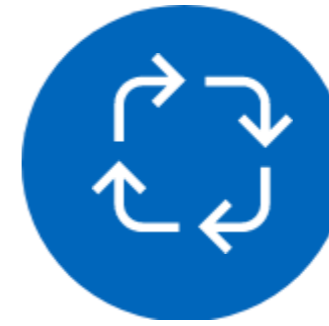

Specialized Expertise

Country context

Stakeholder engagement & change management

Follow-up of actions

Inter-organizational Contribution

Country-ownership & strength of country systems

Cost-value efficiency gains

Mutually strengthen international presence

Considerations

Willingness

Availability/capacity

Our collaboration with SAIs

OIG will continue to invest in stronger relationships with SAIs.

We have received great support from all the SAIs we have worked with since 2017.

The story so far... and beyond

2017

- Piloted new engagement model with SAIs in Zambia
- Hosted AFROSAI-E to review operating model
- New ToR for collaborating with SAIs

2018

- 4 SAIs provided 13 staff to join OIG audits in **Sierra Leone, Kenya, Rwanda and Ghana**

2019

- **More SAIs engaged** - in **Malawi, Liberia, Togo & Côte d'Ivoire**

2021

- **Further expansion** - SAI's supported the **South Africa, Nigeria, Kenya and Cameroon** OIG audits

2022

- **Our plan for next year: Tanzania, Zambia and Sudan**

Looking ahead:

OIG collaboration with SAIs

Strong commitment to further strengthen our collaboration with SAIs in 2022 and beyond.

Studying and learning from each other's work practices

Training on the Global Fund's OIG methodology, including tools, reports, systems

Sharing insight and intelligence to deliver our mutual mandates

Inter-party dialogue, discussing lessons learnt and opportunities to leverage off each other
